Northern Sno Trails

- Continuing to lead the way in effective, efficient communication, Northern Sno Trails continues to be recognized for its outstanding achievements associated to the quality of the publication. Member associations, Parry Sound Snowmobile District and Sudbury Trail Plan are confident that Northern Sno Trails will exceed your expectations. Please consider partnering with us as we look forward to another successful snowmobile season.

What makes Northern Sno Trails so unique?

- The only publication owned and operated by 2 neighboring snowmobile associations.
- Provides your business direct mail access to the combined membership of 16 snowmobile clubs and is posted on the association web sites
- Northern Sno Trails is mailed 3 times annually to over 6,000 households reaching our nearly 15,000 family members, who not only reside within our districts but also, those in the south, including the GTA and the United States.
- In addition to our direct mail distribution an over run of more than 10,000 issues of Northern Sno Trails are distributed by our large network of supporters combined with distribution at various key industry trade shows, which now includes Toronto, Michigan, New York, and Pennsylvania.
- Owned and operated by 2 Leading Non-Profit Snowmobile Associations, you can be assured that your advertising dollars make their way back into the sport to assist in our much needed sustainability.
- We're confident after reviewing what Northern Sno Trails can offer, you'll agree that never before have you been given an opportunity such as this to get your message out to so many snowmobilers so effectively, at such reasonable prices.
